```

```
}
```

```
Internship @ Cardio Calm S.r.l. (06/2018-07/2018) : {
    "Alternanza scuola-lavoro" experience;
    Software tools knowledge in the field of Telecardiology;
    Stress tests on Telecardiology medical devices and tools;
```

```
}
```

```
}
```

Skills and Knowledge : {

Agile development;

Java: UML, GRASP patterns, SOLID principles, GoF patterns, Test and Refactoring principles;

C;

C++;

PHP: Zend Framework, Apache Web Server;

MYSQL and Database design, MySQL Workbench;

SQLServer;

Web Development: HTML, JS, React, NextJS;

Bootstrap;

Tailwind CSS;

Python, Pandas;

Git;

Jira, Confluence;

LaTex;

}

Interests : {

Software development;

Programming;

Productivity apps;

Video games;

Nerdy stuff;

Tech music;

}

};
